Dear Anatoly Abramovich Shalyto:

Congratulations! Because of the reference value of your outstanding achievements, the editors of Marquis Who's Who have selected your biographical profile for inclusion in the special 10th Anniversary Edition of **Who's Who in Science and Engineering**. This unique compilation will chronicle the lives and careers of the world's most accomplished scientists and engineers.

Who's Who in Science and Engineering is found in the collections of many of the world's leading libraries where it has become a universal reference tool for journalists, recruiters, researchers, business people, and students, to name but a few. This esteemed directory includes the most current biographical data available on internationally recognized scientific and engineering professionals. Biographies of over 40,000 individuals will appear in the forthcoming 2008-2009 Edition.

This is the best time to reserve your copy (or copies) of the 10th Anniversary Edition of **Who's Who in Science and Engineering** at a special pre-publication savings of over 30% off the list price.

Personalize Your Copy FREE of Charge

We are pleased to offer purchasers of this edition the option of having their name imprinted on the front cover — free of charge. To take advantage of this free service, simply check the appropriate box on the enclosed order form, and print your name in the boxes exactly as it should appear.

Please return your signed biography (whether or not changes are needed) within 10 days of receipt. If you wish to reserve the 10th Anniversary Edition, you may return that completed form as well.

On behalf of the entire Marquis editorial staff, I wish you continued success in all your endeavors.

Sincerely,

Karen Chassie
Managing Editor
