Dear Anatoly Shalyto,

Congratulations!

By becoming a member of the Industrial Electronics Society (IES), you have taken an important step towards enhancing your professional development. IES is an organization which provides you with the opportunities and the resources to take you to the next level.

The Industrial Electronics Society, established in February 1951, is one of the oldest technological societies in IEEE. IES has been the engine propelling numerous technological advances and innovations. Today, it is one of the most versatile technological societies in the IEEE, truly international, with approximately 6,000 members in 105 countries worldwide.

As a member of the IEEE Industrial Electronics Society you will receive the monthly *IEEE Industrial Electronics Magazine* in print, and electronically through IEEE *Xplore*. Other Society benefits include:

- **FREE electronic access**, through IEEE *Xplore*, to the *Transactions on Industrial Electronics* and *IEEE Transactions on Industrial Informatics*
- **Networking opportunities** with technical experts around the world
 - IES has 23 [Technical Committees](#), where you can participate together with experts in different fields.
 - IES has 56 [Chapters](#) around the world, where you can participate in local activities.
- **Discounts** on print subscriptions, co-sponsored journals and Society conferences and workshops

Please visit our [website](#) to learn more about IES membership products and services, and how to contact us. We hope that you will make the most of your new professional affiliation.

A warm welcome from IES!

Kind Regards,

Prof. Marcian Cirstea
Vice-President
