The world's largest technical professional organization
dedicated to advancing technology for the benefit of humanity.

Dear Anatoly Shalyto:

Thank you for becoming a member of the largest technical professional society in the world.

Your membership includes:

- IEEE Membership
- IEEE Industrial Electronics Society Membership

Get started now with myIEEE at <http://www.ieee.org/myIEEE>, your personalized gateway to IEEE membership that provides local contact information, links to information about conferences in your field, individual benefits and much more. In myIEEE you can also update your personal profile including technology focus area, technical interests and memberNet preferences so that we can continue to provide the information that is most relevant to you. Easily connect with IEEE members via memberNet, the online search and networking tool of IEEE. Access memberNet by logging into [myIEEE](http://www.ieee.org/myIEEE).

In addition to personal benefits, your membership helps support the IEEE core purpose to foster technological innovation and excellence for the benefit of humanity. Specifically, this enables affordable student membership, funds university program accreditation, and helps introduce technology careers to young people around the world.

To obtain a detailed receipt, visit: <http://www.ieee.org/go/receipt1-8019924815>.

Membership(s) include access to selected IEEE information products. **By accessing these information products you agree to the terms located at:** <http://www.ieee.org/documents/>.

You will receive your membership card via mail within 3-6 weeks depending on where you live. If you need a copy of your card sooner, you may download and print your membership card at any time from your [Membership and Subscription History](#) page.

For assistance, please visit the IEEE Contact Center at <http://www.ieee.org/>.

Sincerely,

Elyn Perez
Senior Manager, Member Market Development
IEEE Member and Geographic Activities
