Dear Dr. Shalyto:

Your name has been selected for biographical inclusion in *The International Directory of Experts and Expertise* by the American Biographical Institute's worldwide research Board of over ten thousand members. This new biographical reference directory, adding to the long list of more than 200 volumes published by the Institute, is a needed and valuable reference source on contemporary expertise around the world.

For years, biographical reference directories have focused on the achievements of the men and women they detail. *The International Directory of Experts and Expertise* will change the face of biography by examining experts and expertise in their chosen field, or sphere of influence. From the doctor to the musician, the businessman to the historian, expertise is a hard-won triumph attributable to perseverance, resolve, and experience. One of the numerous benefits of expertise is the influence and greatness it inspires in others. Being included in this directory will count as your contribution, as an expert, to the worldwide reference-readership of American Biographical Institute titles.

Dr. Shalyto, I urge you to fill out the enclosed questionnaire and return it to the Institute by July 7, 2006. Though no purchase is necessary for inclusion, you may wish to reserve discounted copies of the publication or the *Specialized Certification of Expertise*, the latter available only to biographees of the volume.

I look forward to receiving your biographical details, and to seeing your name listed as an expert in your chosen field. The volume will be distributed to international public and private libraries, corporations, universities, governments, and professional organizations.

Sincerely,

J.M. Evans  
President

P.S. To maintain a reasonable editorial schedule, please return the accompanying questionnaire by July 7, 2006. Due to the occasional slowdown of International Mail, please return your information even if the date has expired. Reservations of books at the pre-publication rate must be submitted with your questionnaire. You may recommend your colleagues for ABI recognition overleaf.
